

Suggested Clothing Packing List

All clothing should be labeled with the student's name. If you forget to bring or are unable to bring some of these items to campus, they can be purchased new in nearby Middletown, at Wal-Mart, Kohl's, Marshalls, and other stores. Gently used clothes can also be purchased on campus at the St. Andrew's Alumni Clothes Closet (STAACC). Everything in the store is only \$1, and proceeds go to fund our financial aid program.

Please note that these are suggested packing lists only—depending on your style, preference, and inclination to do laundry, your final packing list may look much different. While we know that our dress code is more formal than that of the average high school, new students should feel that they can come as they are to St. Andrew's.
